10 × 10 board . . . . .	12

## Some rectangular boards

9 × 5 board . . . . .	13
13 × 9 board . . . . .	14

This is version 0.5 of this document, released on 2015-09-08. More boards are planned. I consider that these simple ruled rectangles cannot possibly be the object of copyright, and therefore are in the public domain. If you publish them or use the LaTeX source of this document, credits would be appreciated, but there is obviously no obligation. <http://yannick.delbecque.org>
